

Henny-Penny

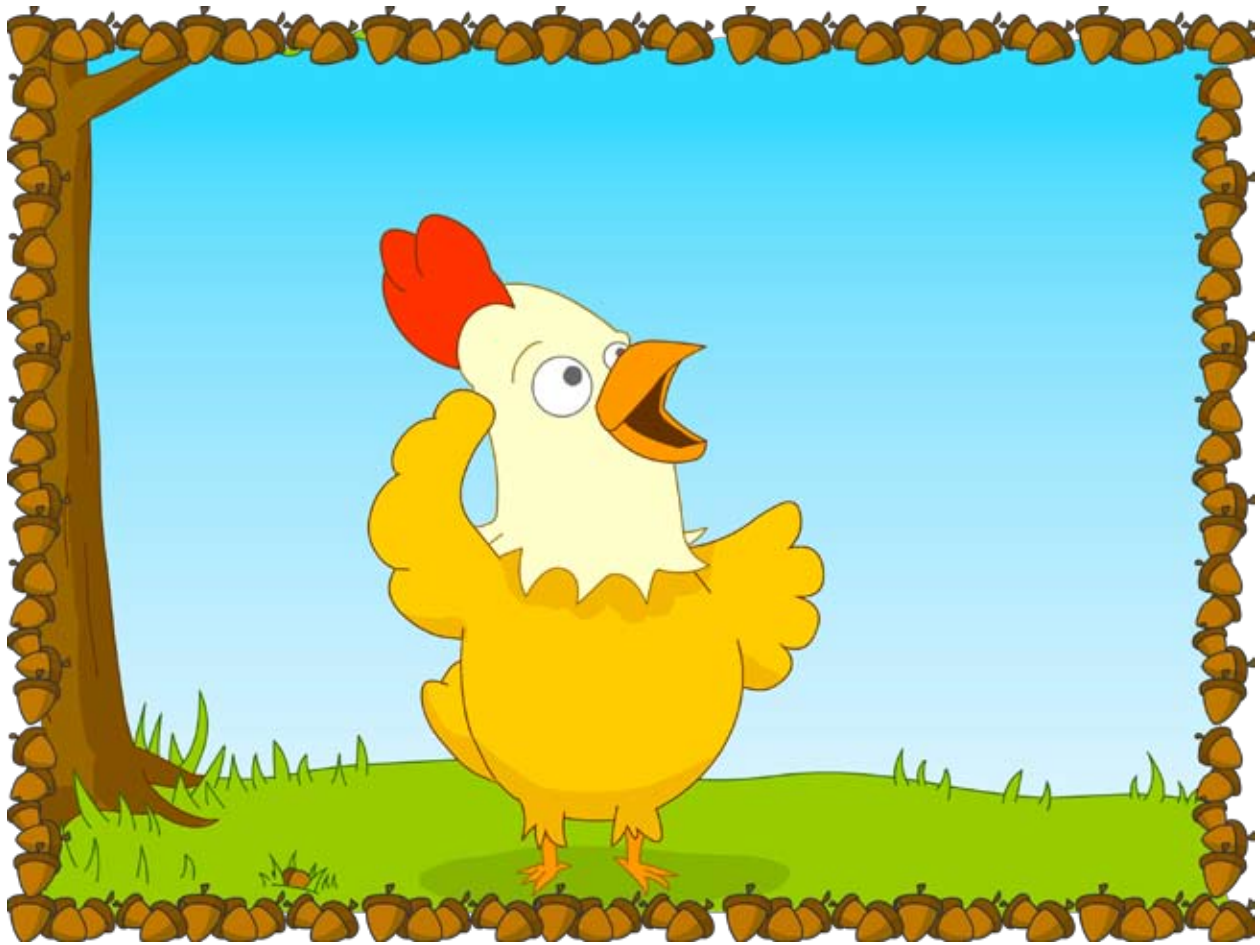

One beautiful summer day Henny-Penny was cleaning up her yard, minding her own business when an acorn fell and hit her on the head.

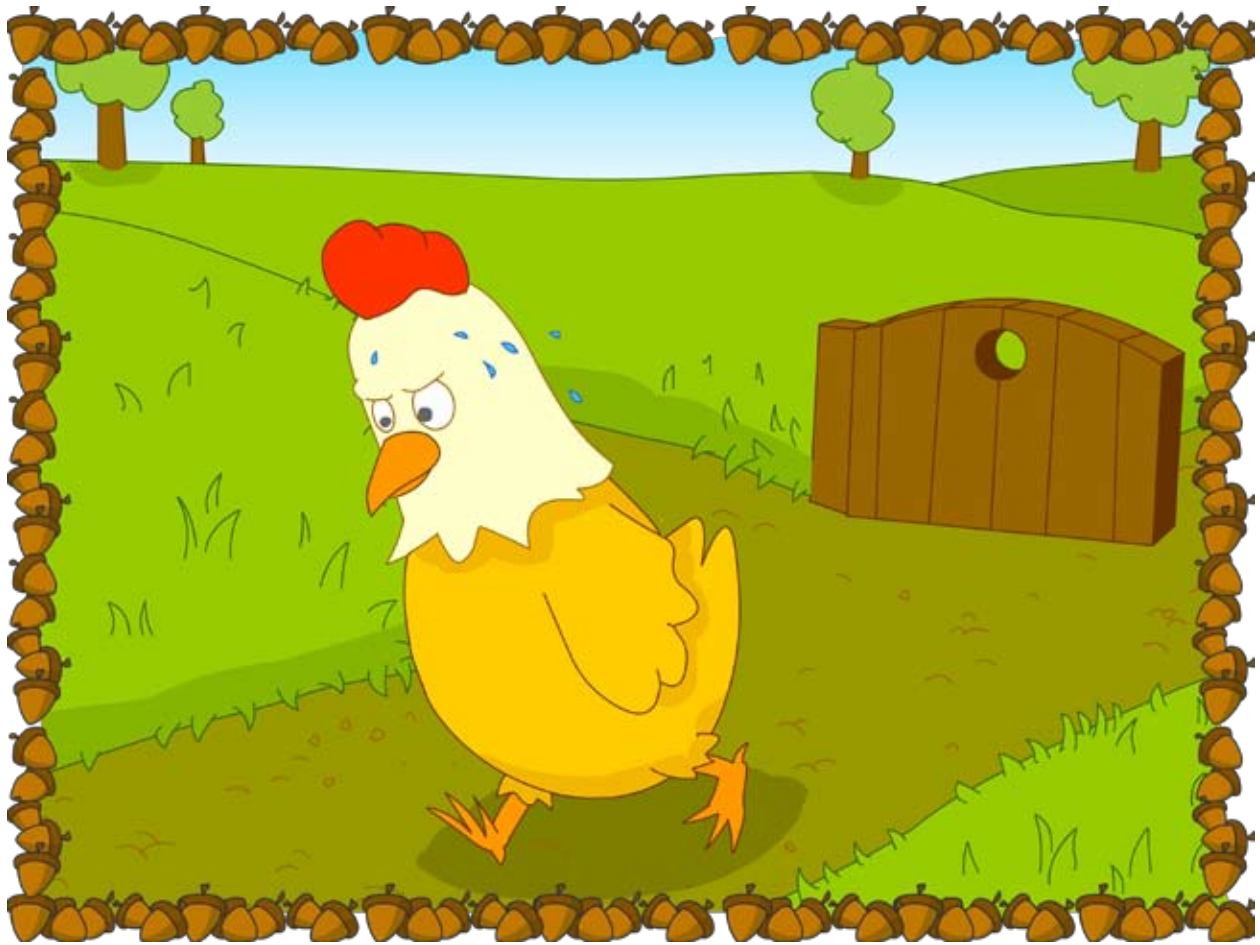

Henny-Penny

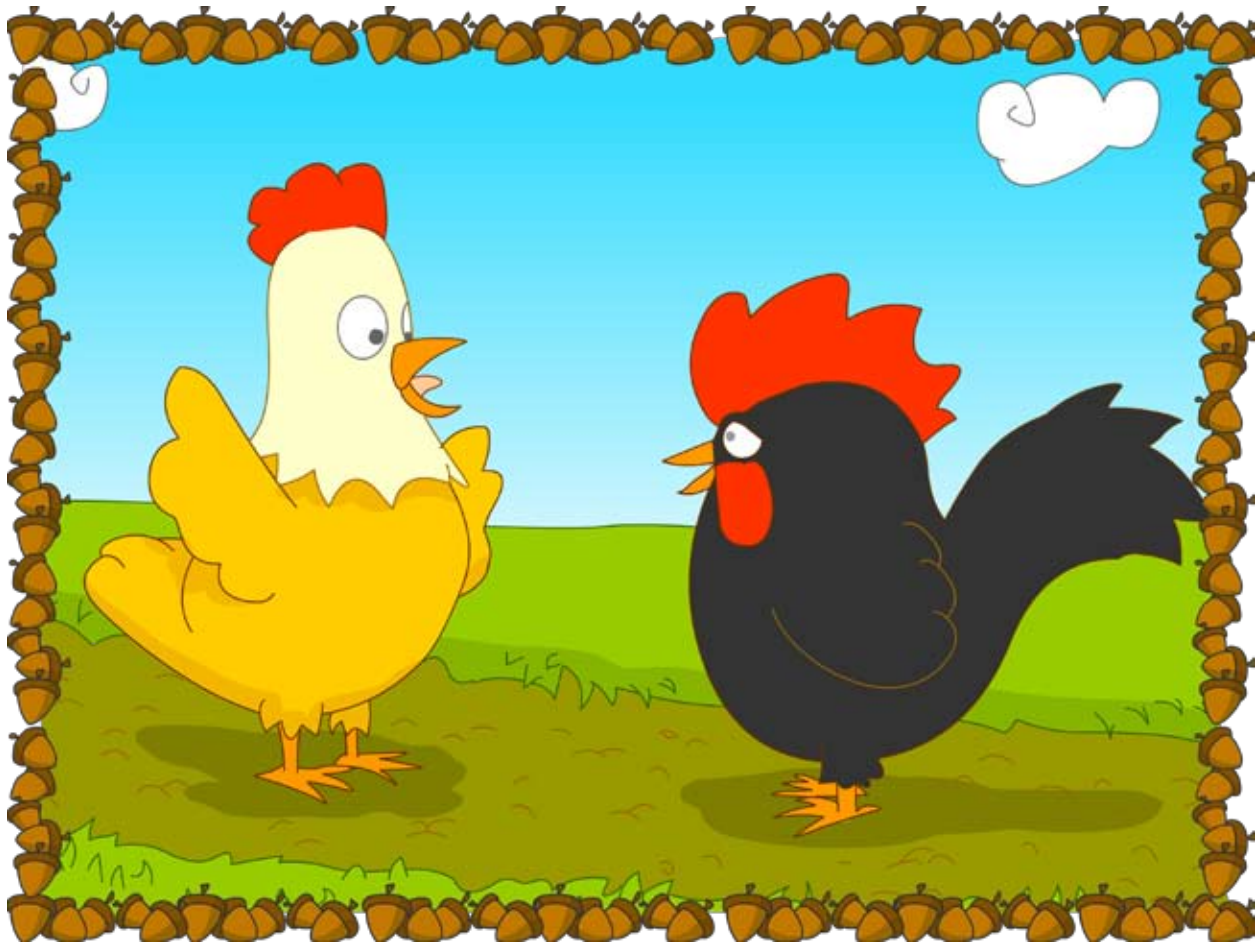

"Ouch," she cried looking up. "The sky is falling, the sky is falling. I must go and tell the mayor."

Very upset and very much in a hurry she left her yard and went off down the road.

Down the road Henny-Penny met Cocky-Locky, who asked why she was in such a hurry. "I am going to tell the mayor that the sky is falling," she explained.

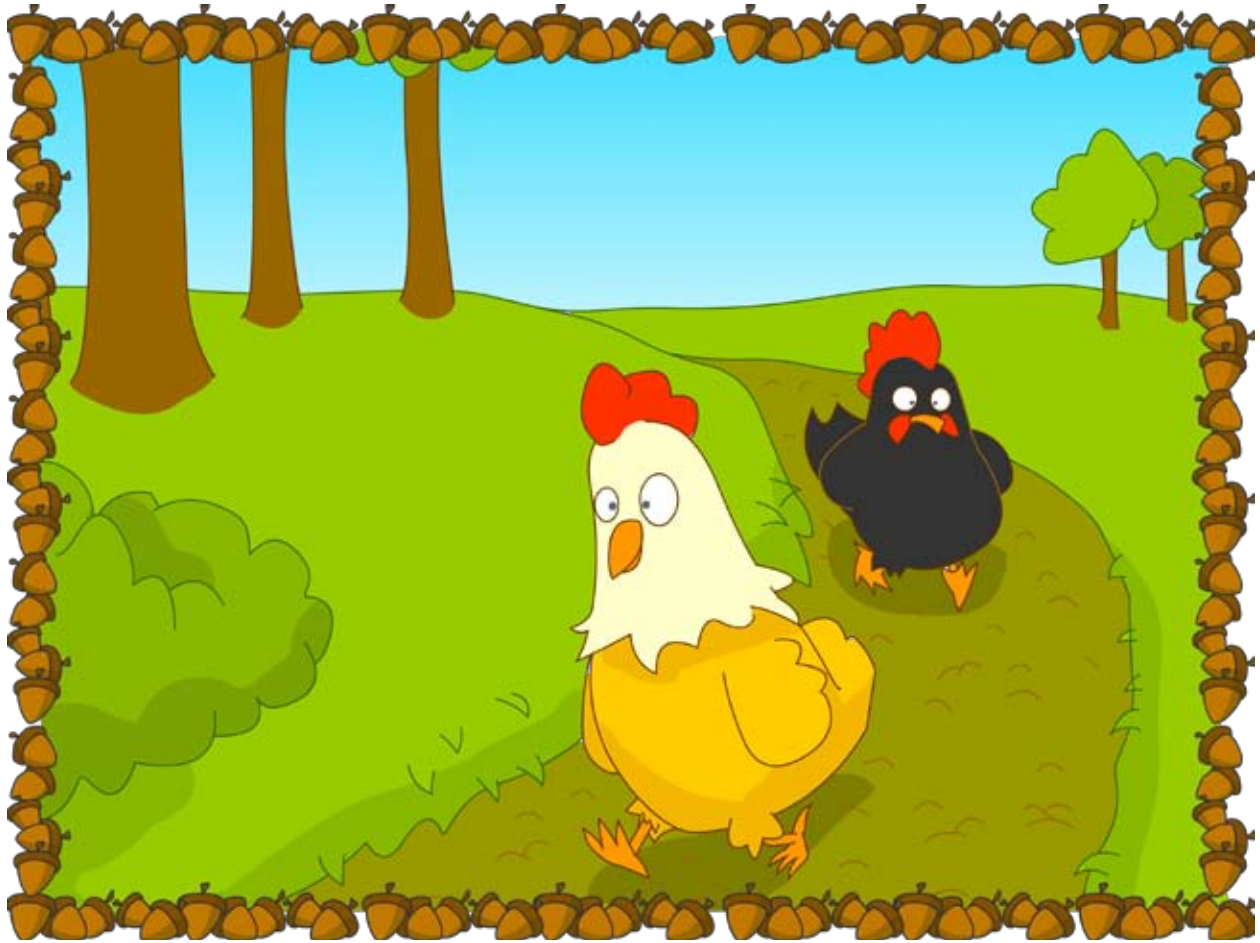

Henny-Penny

“Oh my,” said Cocky-Locky. “Can I go along with you?”

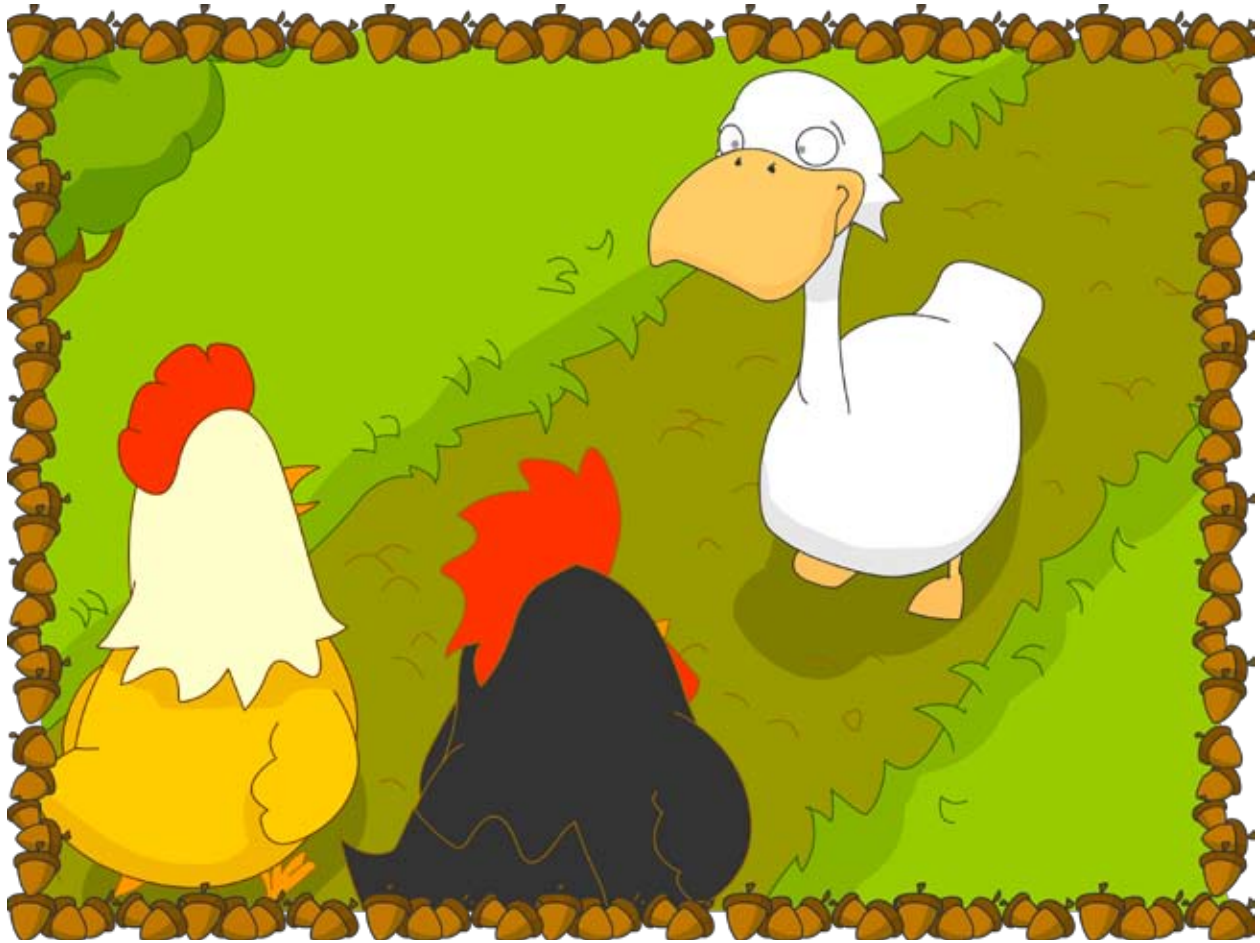

“Of course,” said Henny-Penny, and off they hurried to meet the mayor.

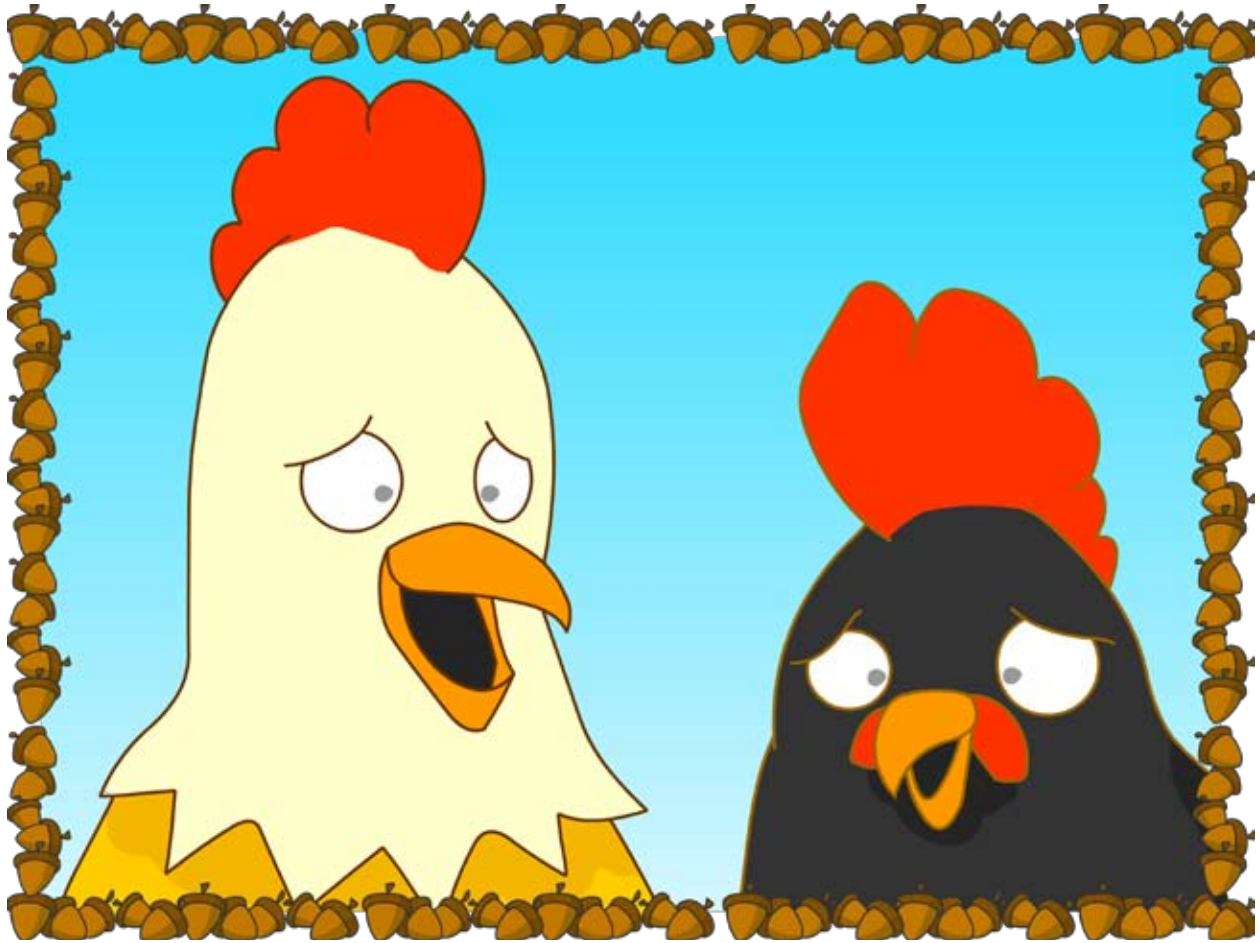

Henny-Penny

A little farther down the road Henny-Penny and Cocky-Locky met Ducky-Doodle, who asked where they were going.

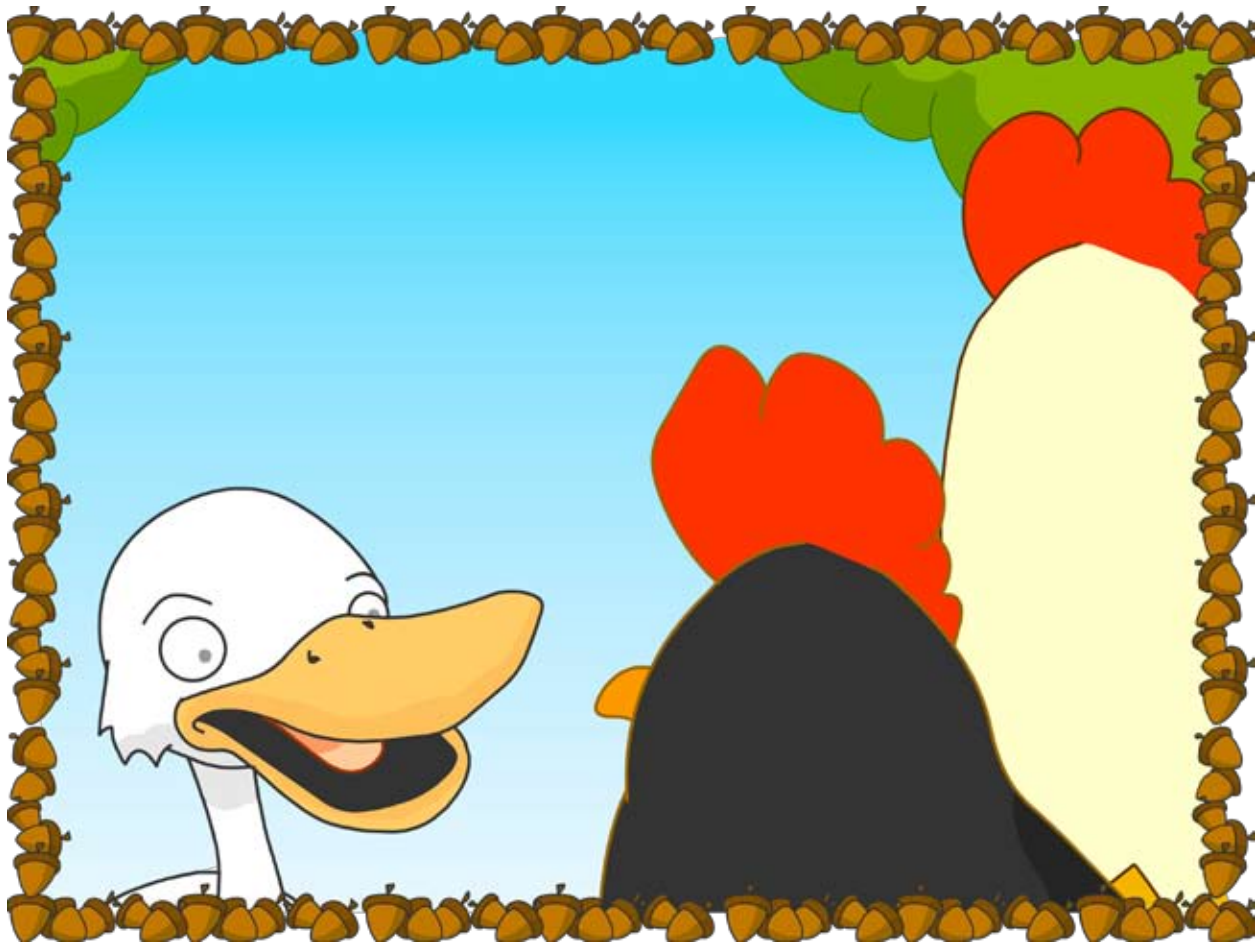

Henny-Penny

"We are going to tell the mayor that the sky is falling," they said.

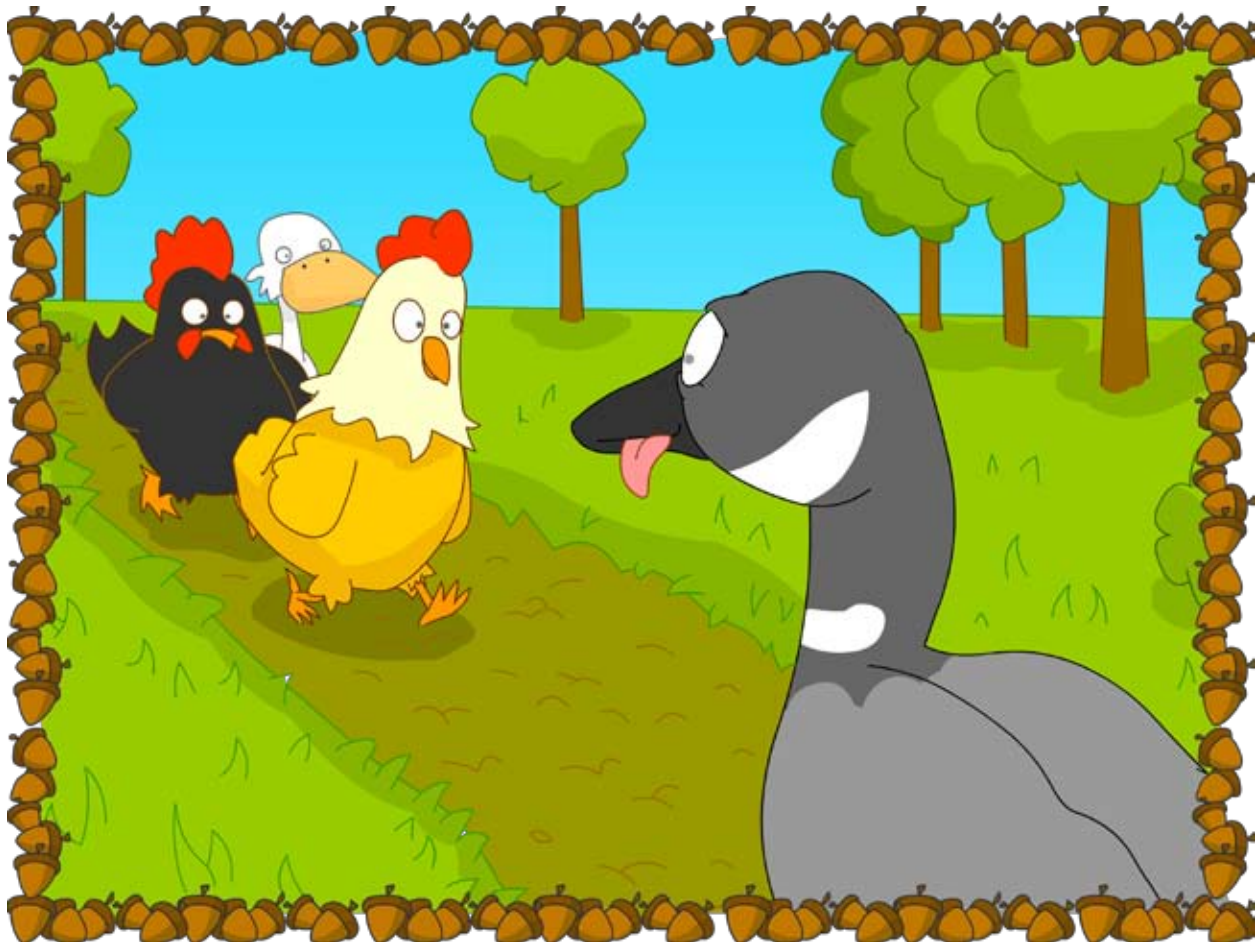

"Oh my," said Ducky-Doodle. "May I go with you?"

"Of course," said the two, and off they hurried to meet the mayor.

Even farther down the road Henny-Penny,
Cocky-Locky, and Ducky Doodle met Goosey-
Poosey, who asked where they were going.

Henny-Penny

“We are going to tell the mayor that the sky is falling,” they said out of breath.

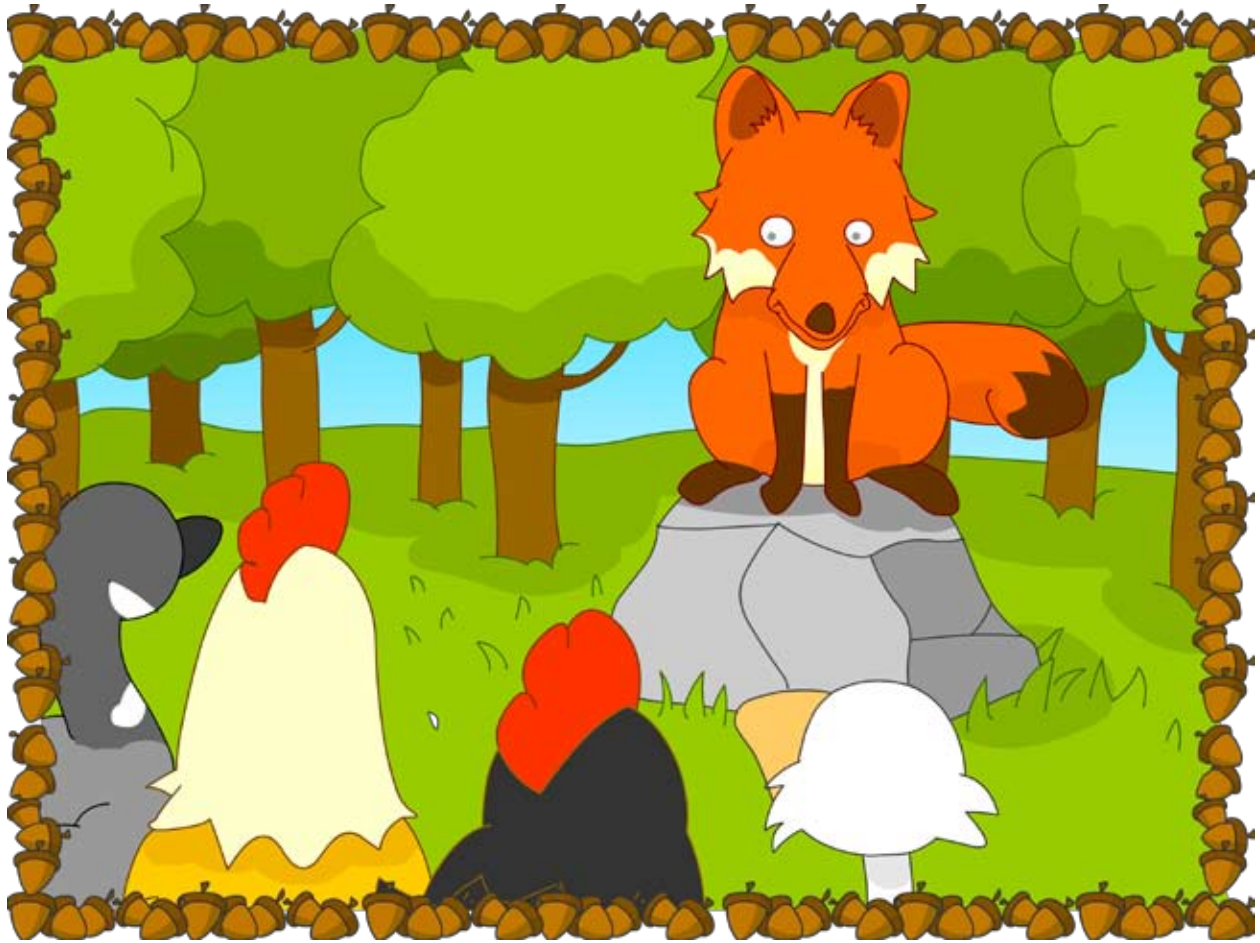

"Oh my," said Goosey-Poosey. May I go with you?"

"Of course," said the three, and off they hurried to meet the mayor.

Even farther down the road Henny-Penny, Cocky-Locky, Ducky Doodle and Goosey-Poosey met Foxy-Woxy, who asked where they were going.

"We are going to tell the mayor that the sky is falling," they said out of breath.

"Oh my," said Foxy-Woxy. May I go with you?"

"Of course," said the four, and off they hurried to meet the mayor.

“But wait,” said Foxy-Woxy. “This is the long way to the mayor’s office. I will show you a shortcut,” he said with a grin on his face.

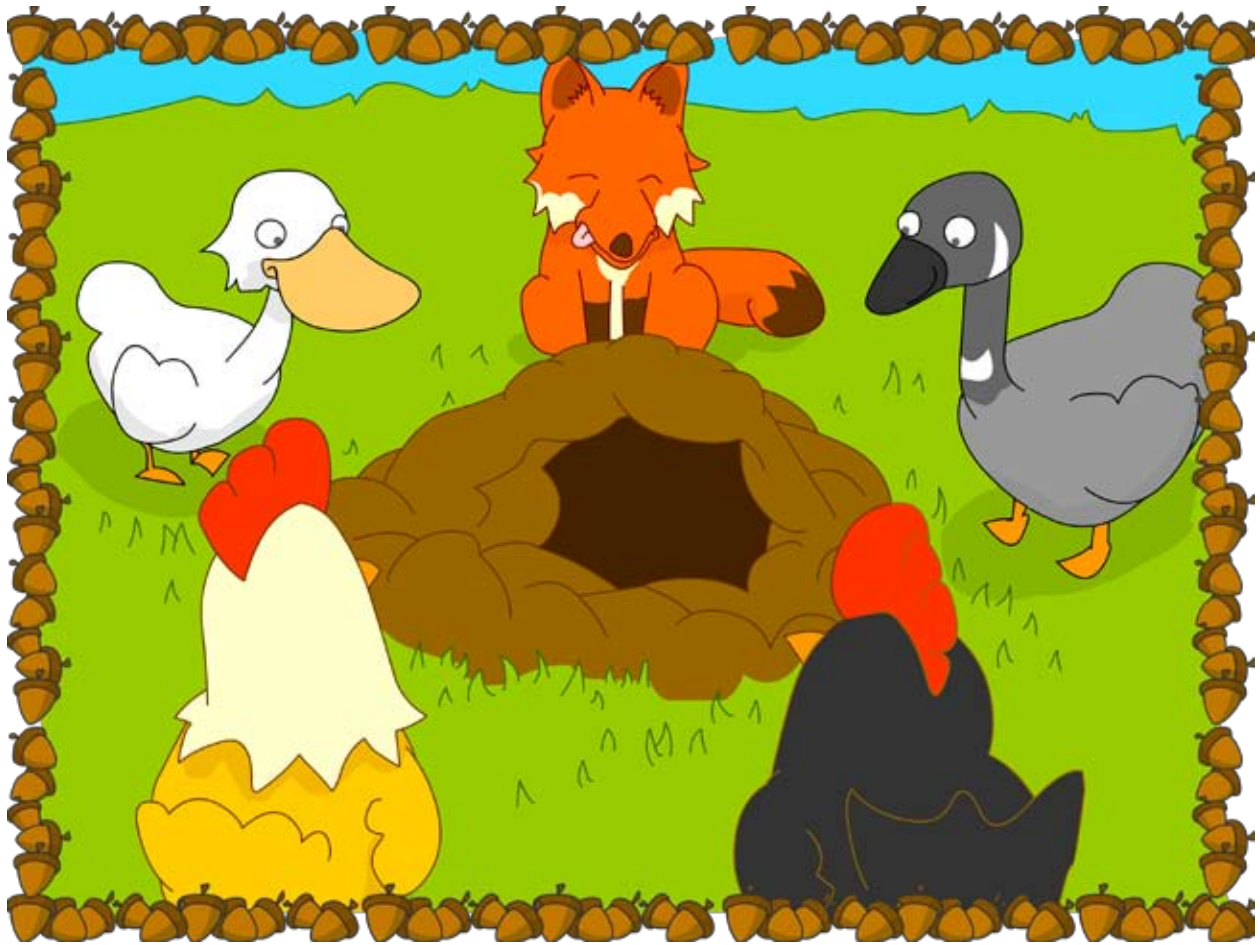

Henny-Penny, Cocky-Locky, Ducky Doodle and Goosey-Poosey followed Foxy-Woxy to the edge of the forest where there was a hole in the ground.

Henny-Penny

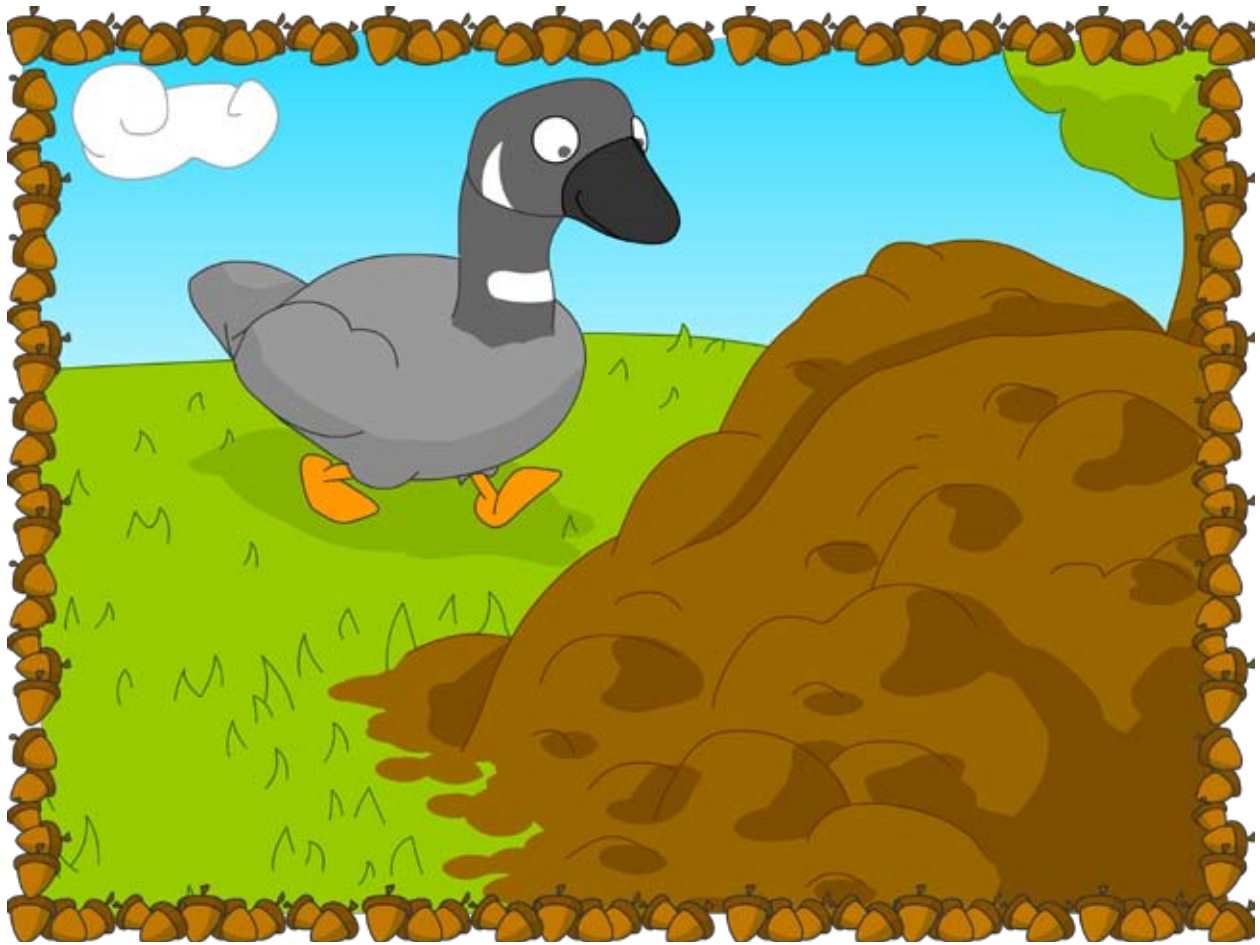

They did not realise that this was the hole to Foxy-Woxy's burrow. They also did not know that Foxy-Woxy had not had his lunch!

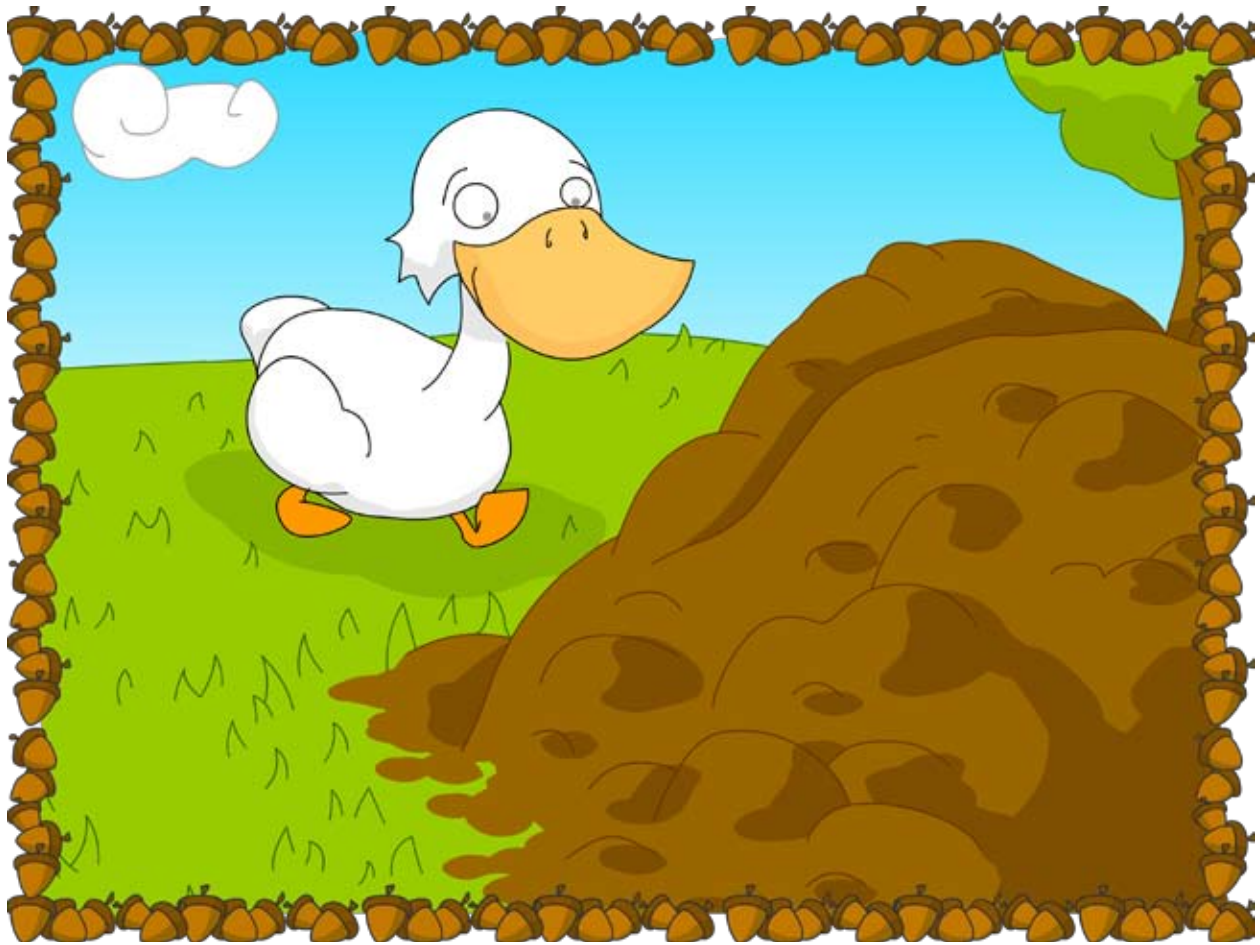

“I will go in before you and show you the way,” said Foxy-Woxy as he went in the burrow. He did not go very deep in to the hole before he turned around to wait for his lunch.

Goosey-Poosey was the first to go in.
Goosey-Poosey became the first bite of Foxy-
Woxy's lunch.

Ducky-Doodle was the second to go in,
and became the second bite of Foxy-Woxy's
lunch.

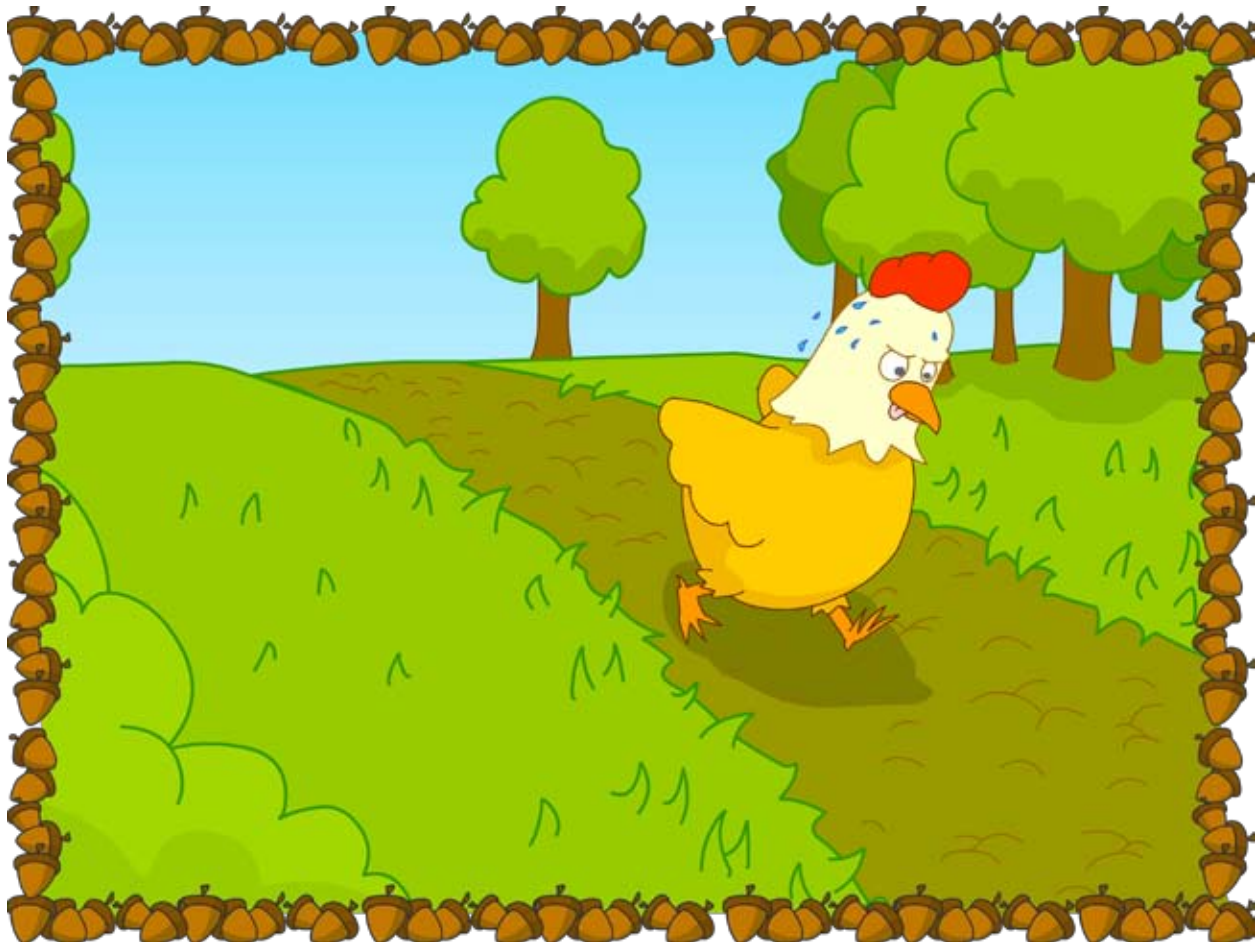

Cocky Locky was the third to go in. Luckily for Henny-Penny Cocky-Locky did not do anything without a cock-a-doodle-doo! And cock-a-doodle-doo he did!

When Henny-Penny heard Cocky Locky cock-a-doodle-doo she had forgotten what she was doing and said: "It must be morning." "It's time for me to lay my egg."

Henny-Penny turned and hurried down the road to go back to her yard, and forgot that the sky was falling.
