

PRACTICE ADDITION: 3 NUMBERS

Add the animals and numbers together and write the sum in the box.

$$3 + \begin{matrix} \text{deer} & \text{moose} \\ \text{moose} & \text{deer} \end{matrix} + \text{moose} = \boxed{}$$

$$\begin{matrix} \text{deer} & \text{moose} \\ \text{moose} & \text{deer} \end{matrix} + \begin{matrix} \text{moose} & \text{moose} \end{matrix} + 6 = \boxed{}$$

$$2 + \begin{matrix} \text{moose} & \text{deer} \\ \text{deer} & \text{deer} \\ \text{moose} & \text{deer} \end{matrix} + \begin{matrix} \text{moose} & \text{moose} \end{matrix} = \boxed{}$$

$$\begin{matrix} \text{moose} & \text{moose} \\ \text{moose} \end{matrix} + 6 + 4 = \boxed{}$$

$$\boxed{} = \begin{matrix} \text{moose} & \text{moose} & \text{moose} \\ \text{moose} & \text{moose} & \text{moose} \end{matrix} + 9 + \begin{matrix} \text{deer} & \text{moose} \\ \text{deer} \end{matrix}$$
