#### In ePEARL

Think of 3-4 goals related to Summarizing that would be appropriate for your students. Always assess your students' readiness before moving on to more difficult activities. If not, you may wish to stay on the same step for several weeks.

For example: "I want to remember the main points of this story." Give your students some sentence starters: "The main characters are...", "After (main event) this happened...", "The story started/finished by...", and "The lesson learnt was that..."
