

# GIVING FEEDBACK

When planning feedback on a classmate's artifact, take notes on:

1) Something you honestly liked:

---

---

---

---

---

---

---

2) Something they can improve (e.g., spelling, capitalization, word choice, facts)

---

---

---

---

3) Something that reflects their unique skills or interests

---

---

---

You can now use these notes to write feedback in your classmate's ePEARL!
